

YFC Shielded Type

Features

- YFC cable with a shielding film
- Excellent in flexibility because a thin-film shield is used.

Configuration example

Standard specifications

Length	: 20 mm to 420 mm
Terminal pitch	: 0.3 mm (zigzag terminal), 0.5 mm, 1.0 mm
Terminal area thickness	: 0.2 mm $\pm$ 0.03 mm (0.3 mm pitch terminal) 0.3 mm $\pm$ 0.05 mm (0.5 mm and 1.0 mm pitch terminals)
Reinforcing plate	: Strip length + 2 mm
Copper foil	: 18 μ m electrolysis, 18 μ m rolling, and 35 μ m rolling
Surface treatment	: Electrolytic gold plating and lead-free solder plating
